

Notice of Abandonment

To: The National Assembly; All State Assemblies; All Bodies Associated with These Same Assemblies

From: The Arizona General Jural Assembly-*formalizing*

Name of Abandoner: Amber Amell

County: Maricopa

State: Arizona

To Whom it May Concern;

During the Arizona General Jural Assembly-*formalizing* meeting conducted on March 15, 2022, we the people of Arizona did vote to have Amber Amell step down from the Recording Secretary Officer position until her concerns with the assembly process, and the national education process are cleared up for her. The vote was 7 ayes, 0 nays, and 0 abstentions. We have also determined that the same, Amber Amell, abandoned her membership duties immediately after the vote. Based on her actions and activities on the assembly telegram threads, it is also determined that the same Amber Amell, is an agent provocateur. The process we followed to come to this determination was taken with great care and took approximately two weeks.

It is the recommendation of the Arizona General Jural Assembly-*formalizing* that this individual should no longer be allowed to associate with the National Assembly, any State Assembly working in cooperation with the National Assembly, and anybody associated to these State and National assemblies.

Sincerely,

The Arizona General Jural Assembly-*formalizing*
