00:13:32 LM [=Lecture Mode] Robert what happened last Thursday (that state is missed tonight) unfortunate, cannot tolerate for National Assembly business, article in Notices on forum, can be read, don't get into personal issues on call, get assemblies up & running, this hour of business only topic is ‘doing’ for national assemblies & addressing nation, off topic & not topic for broader business they will be gaveled, called to relinquish floor, fail to do so scribe will mute until business taken care of, one's opinion is no greater than another's, this work has nothing to do with land/sea jurisdiction, people communicating with supposed leaders elected to do our bidding, do that with numbers & established organizations, proven successful counter ordinances & codes CELDF, they stopped fracking, stopped gas company running gas line [Community Environmental Legal Defense Fund, <http://paulcienfuegos.com/>], Local Communities Dismantling Corporate Rule, part 1, there is a part 2, and also a part 3 – below find link part 1, <https://www.youtube.com/watch?v=8Prylnj4NQ8>], need to work efficiently & effectively with little interruption/rhetoric off topic/subject, open forum hour any discussions,
