From; ron vrooman writing for the Beaverton Oversight Committee and Oregon Statewide Assembly

Hello Pat,

We are seeking a personal meeting with you. See page 5 items 1 through 6 of the emailed Notice of the Grand Jury.

We are also notifying Kate, Ellen, Dennis, Peter and Tina as required in this preliminary communiqué. Several others will be notified in city, county, state and federal incorporated, allegedly, governance. One that is not compatible with Constitutional Republic form of government, we are guaranteed.

Take Heed one and all:

I have a copy of your (Pat Garrett) oath that you supplied Ray, Kam and I. It requires you by its language to honor the two Constitutions, we select circa 1859 for obvious reasons, and also to uphold the statutes, rules, etc I paraphrase.

We will step by step fulfill our responsibilities as Oregonians and comply with the first and second laws of our land. We will be requiring you to honor your oath when called upon to do so: without equivocation, mental reservation or secret evasion.

With full faith and credit we establish governing law in this case at this time to be: Declaration of Independence; Articles of Confederation; Northwest Ordinance, and Oregon's Original Constitutions circa 1859, The United States of America's Constitution circa 1859. And ORCP 20A; Clearfield Doctrine; Accardi Doctrine; ex Parte Young; ex parte Milligan; McCarran Waters Act 1952; Judiciary Act 1789-Sec 32; are all specifically called into this document. They are all governing law, which must be accepted. The DOJ is agent to the entity responsible for the enumerated requirements of Article III, the one supreme Court that must claim original jurisdiction to be a court I would consider to have jurisdiction, when found in conjunction with Amendment VII court... However that Article III court also resides in Amendment VII. We will be calling it forth, as the incorporate, allegedly, governance represented by the DOJ and several federal courts refuse to comply and provide their enumerated responsibility Article III supreme Court.

At this time you and all the agents for city, county, state and federal incorporated, allegedly, governances in lieu of Constitutional Republic form of government; are invited to submit any information into form of an email attachment to me. I will share this with Oregon statewide assembly and our Common Law Grand Jury.

On Oregon, without the State of Oregon, within The United States of America the Constitutional Republic. Under penalty of perjury. Sworn before me.

With full faith and credit governing law is established in this document at this time to be: Declaration of Independence; Articles of Confederation; Northwest Ordinance, Oregon's Original Constitutions circa 1859, and The United States of America's Constitution circa 1859. They are all governing law, that must be accepted. The DOJ is agent to the entity responsible for the enumerated requirements of Article III, the one supreme Court that must claim original jurisdiction to be a court I would consider to have jurisdiction when found in conjunction with Amendment VII Court... The DOJ has failed miserably in their responsibility. ..We must do it ourselves.

This communiqué is not intended to mislead, defraud, deceive or threaten in any way and is submitted in "good faith and with clean hands." I do lawful not legal and this is my best effort. I close with Love, peace, harmony and a prayer. A US Marshal has determined my prayer is not a threat. He then reneged on his word, which is only good one time. "Praise the Lord and pass the ammunition."
